

Barnardo's is committed to promoting racial justice and equality for BME children, staff and volunteers

Barnardo's is committed to becoming the charity of choice for black and minority ethnic (BME) children, young people, families, staff and volunteers.

We are working with our National Corporate Group for Black Staff to ensure Barnardo's provides the best support, policies, practice and understanding for BME staff, volunteers and communities.

Through our Diversity Strategy, Barnardo's is working to change people's attitudes, practice and protect future generations from discrimination and rejection.
