

Annual AVOW Volunteering Event - 3rd June 2010...

The Wrexham Volunteer centre held a Recruitment and Promotion event on Thursday 3rd June 2010. Market stalls were set up in the centre of town at Queen's Square, Wrexham and many organisations attended to raise awareness of the services available within the county.

Compass Partnership had a stall displaying various literature, posters and freebies and all those involved had a lovely day thanks to the good weather and lovely atmosphere. As well as promoting Compass we also decided to have an arts and crafts table so that there would be an activity for children to get involved with due to it being half term.

The children (and some adults too) were provided with a paper plate, pens, pencils and stickers and we received lots of wacky creations to put up on our display board.

See you next year everyone!
