

## **Back Packing at Sainsbury's - 3<sup>rd</sup> April 2010....**

A team of volunteers assembled outside the entrance of Sainsbury's Plas Coch at 11.00am on Saturday 3<sup>rd</sup> April 2010, all ready to do their part in raising some money for the Wrexham Mayor's Charity Fund. The group comprised of Barnardo's Compass Partnership staff, family, friends and independent volunteers recruited specifically for the bag packing event.

The team all fanned out and took a till each and asked shoppers if they would like some assistance with their bag packing in exchange for a donation. Most shoppers were willing to contribute and the team had a positive experience and managed to raise a good amount of money.

All feedback received from the team suggested that everyone enjoyed themselves and had a laugh. Some shoppers joined in with the fun and joked with some of the team by asking "Will you be able to come home and unpack the shopping for me too?"
