

It's one small step for a Toddler, one giant leap for Toddlekind!

Date: _____

Throughout the summer, Toddlers will be putting their best foot forward for the Barnardo's Big Toddle – a sponsored half mile walk for under 5s.

Now in its twelfth year, the Toddle continues to be the biggest, brightest and best fundraising event for young children, with thousands taking part in Toddles across the UK.

The Big Toddle 2008 will be raising money for local Barnardo's projects working with disadvantaged young children, through play schemes for children with disabilities, family centres and parenting classes.

Toddlers will Toddle around a half mile course with their friends, parents and carers.

The fun starts at [time] _____ at [place] _____

We have planned the following (eg fancy dress, picnics, entertainers, etc):

Notes to editors:

Barnardo's works with approximately 115,000 children, young people and their families in 394 specialised projects in communities across the UK. This includes work with children affected by today's most urgent issues: poverty, homelessness, disability, bereavement and abuse. We believe in the potential in every child and young person, no matter who they are, what they have done or what they have been through. We will support them, stand up for them and bring out the best in each and every child.

A fun little walk for little children!
