

Within Barnardo's we feel that it's important that we work alongside children, young people and their families to make sure that the Services we provide are meeting their needs. We believe in encouraging PARTICIPATION! If you have anything you would like to say about participation then please send it back to us at VOICE and we can make sure that the right people get to hear about it!

Is there anything you want to tell us about?

Young People's Charter of  
Participation

Yorkshire Region

## Our commitment to you

We believe that all children and young people have the right to be involved in making decisions that affect their lives.

We believe that all children and young people should be encouraged to make their wishes, feelings and opinions known, whatever age.

We believe that it is important to listen and respect what you have to say.

We believe that it's our job to make sure we ask you for your views in a way you can understand.

## Our values

We believe that you should feel safe and welcome and that you are treated with respect when you visit your service or other Barnardo's Services.

We believe that you should feel safe and welcome and that you are treated with respect when you are involved in Regional or National events or activities.

We believe that all children and young people have the right to be treated as individuals.

## What we can do together

We can work together to make changes.

We can help each other to make the right choices.

We can work together to ensure that children and young people are more involved with their Service or with Barnardo's both at a Regional or National level.

## How you can help us

You can help us by telling us what you want.

You can help us by telling us, when we get it right and when we get it wrong.

You can help us when by telling us something isn't working in your service/s.

You can help us by telling other children and young people about Barnardo's
