

See the person... Celebrate their diversity

Equality and diversity is integral to Barnardo's vision – that the lives of *all* children and young people should be free from poverty, abuse and discrimination.

At Barnardo's, we believe in children – no matter what their race, gender, religious beliefs, background, circumstances or disability. And we know we need a diverse workforce to best serve the needs of the diverse children, young people and families who access Barnardo's services across the UK.

Barnardo's has a number of initiatives in place to support our pursuit of equality and diversity. These include a range of national and local diversity forums, which aim to ensure Barnardo's values and takes full regard of the diversity of our staff, volunteers and service users.

Ultimately, we know that Barnardo's cannot achieve its vision as an organisation without putting equality and diversity at the heart of everything we do.
