

Cairngorm Challenge: Early Bird discount terms and conditions

The Early Bird Offer

The early bird offer is open to all those Cairngorm Challenge participants who sign up to the event on or before 30 April 2010. Those who meet this deadline and the conditions below will be asked to pay £75 registration fee – a 25% discount on the standard £100 registration fee which will be applicable from 1 May 2010 onwards.

A participant will be considered as 'signed up' only when a completed registration form and payment have been received by Barnardo's.

Registration forms received after 30 April 2010 will not be considered for the early bird discount, and the full £100 registration fee will be payable.

Early bird registrants will still be committing to raising a minimum of £400 in sponsorship per person.
