

Making your Big Bauble

1. Choose how you want to make your bauble. Will you draw pictures and use colour? Will you cut out pictures and stick them on? Or will you stick on objects like holly, tinsel or pom-poms?

2. Choose a Christmassy image for your bauble.

Here are some ideas:

- Snowman
- Rudolph
- Christmas fairy
- Santa's face
- Robin
- Christmas pudding

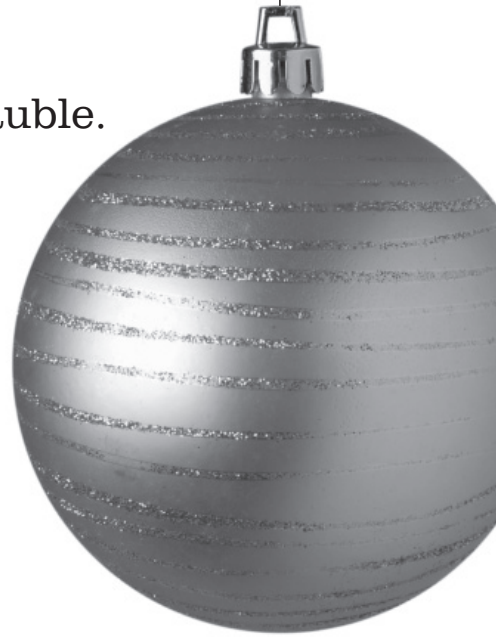

What else would look good on a Christmas bauble?

3. Draw or stick your image onto the bauble. Remember to ask an adult to help you with scissors or glue.

4. Make your bauble stand out. You could try:

- Adding glitter to make a very sparkly bauble.
- Using bright colours to make your bauble cheerful.
- Putting tinsel round the edge to make it extra special.

5. Your bauble is now ready to hang on the tree!
