DESCRIPTIONS OF PACKAGE CONTENTS

Please note that all documents provided are either a copy from the original handwritten ledgers or reconstituted from microfilm.

Admission History

A record compiled at the time of admission – this document usually records circumstances leading to admission and details of parents and other family members known at the time.

Précis

A handwritten document with details taken at the time of admission, on which the admission history was based, occasionally this document contains additional information.

Record Book

A handwritten ledger containing details of correspondence from family and friends. Occasionally contains other details for example; childhood illnesses and family members changing address.

Situation Book Entry

This Handwritten ledger records information of employment for many of the boys who passed through the homes. Details usually consist of place of employment and wages earned.

Location Photographs

Photographs of the residential home or homes your relative resided at whilst in Barnardo's care.

PHOTOGRAPHIC PACKAGE £20

This package is for those who are looking for photographs of their family member/s and the homes they lived in. Once we have established your relative was in Barnardo's care, we can search our archive of 500,000 images to see if any photographs exist. The price includes one personal image and a photograph of their Barnardo's home*. We will also provide details of any other family images we find, which can be purchased for an additional £5 each.

*Subject to availability

ADDITIONAL ITEMS

Photographs

Our photographic archive holds over half a million images and occasionally there may be additional photographs of your relative available. If we find during our research that other images exist, we will inform you when sending out the information package. These will be available for purchase once the information package has been sent to you. We are also happy to provide additional copies of any images supplied.

Extra copies of personal admission image provided £5 each

Where additional personal images are available £5 each

Photographs of individual homes £1 each

Enlargements

Enlargements may be available on request. However, because of image quality we are occasionally unable to reproduce images in larger sizes – we will confirm this with you before any additional charges are made.
