1. Photocopy the Big Feet footprint sheet.
2. Give every child in your group a footprint.
3. Ask them to colour in their footprints. Use bright colours to make it more fun!
4. Ask the children to create a path around the room using the footprints they have coloured. Ask an adult to help them stick the footprints securely to the floor. Where will your path go? To the window? To each corner? Round the room in a circle?
5. You are now ready to start your indoor Toddle! On your marks, get set, go!

Tips for Toddling

Want to make your Big Feet extra fun? Why not get the children to draw round their own feet inside the Big Foot and colour them in?

If you have the Big Toddle, Big Tunes CD that you received with your How to Toddle pack, play it while the children toddle.
