

Big Toddle Big Fun!

Believe in children

Barnardo's

Make your own flag

The Barnardo's Big Toddle supported by Fairy Non Bio Gel, is the UK's biggest sponsored walk for under 5s. Get your group ready to Toddle with this fun activity, which will help your children enjoy their Big Toddle even more. This activity is a suggestion so you may need to gauge its suitability to the age and understanding of your group. Please feel free to adapt it as necessary.

Lots of you have asked us for ideas on how to make flags so this year we are challenging you to come up with some of your own materials! By making your own materials your Toddle will be a lot more fun, for you and your children.

Materials

- 12x18 inch card or poster board
- Markers
- Scissors
- Tape
- Plastic stick (optional)
- Clear sticky back plastic (optional)

How to make it

1. Write the name of your nursery or group and 'the Barnardo's Big Toddle' in the middle of the card.
2. Decide what you want to show on the flag (something that represents your group and your event or even the picture of Todd on the next page).
3. Cut your pictures from the card and use glue to place them on the flag. If you have clear sticky back plastic, cover your flag so that it will be more durable.
4. If you have a plastic stick now is the time to give your flag its flagpole. Put several pieces of tape on the left (short) edge of your flag and wrap this around your plastic stick so that your flag will be able to stand up.

Please ensure that all materials are non-toxic and any cutting required is under supervision using safety scissors.
