

Big Toddle Big Fun!

Believe in children

Barnardo's

Making your Toddle start/finish tape

The Barnardo's Big Toddle supported by Fairy Non Bio Gel, is the UK's biggest sponsored walk for under 5s. Get your group ready to Toddle with this fun activity, which will help your children enjoy their Big Toddle even more. This activity is a suggestion so you may need to gauge its suitability to the age and understanding of your group. Please feel free to adapt it as necessary.

Making materials for your own Big Toddle is a really great way to get your children involved before you hold your event. This activity shows you how easy it is to make your own start/finish tape to hold up at the beginning and end of your Toddle.

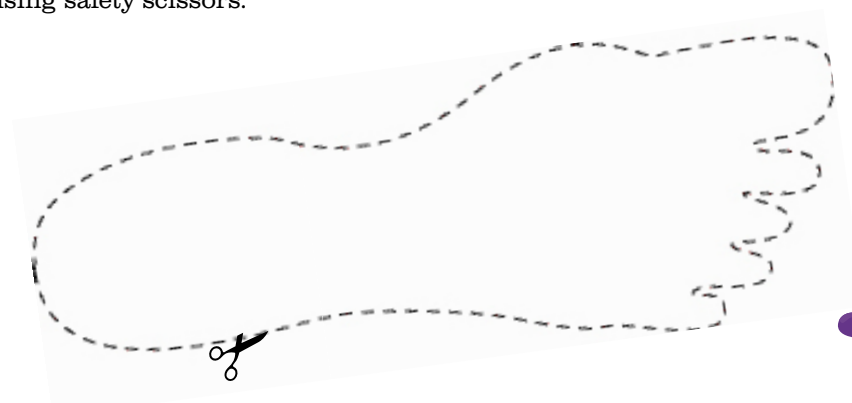

Materials

- Card
- Scissors
- Sticky tape
- Colouring materials (optional)

How to make it

1. Help your children draw around their own feet on pieces of card – either use bright coloured card or have your children decorate the outline of their feet.
2. Cut the feet out with the scissors.
3. Use the sticky tape to attach all the feet together in a line, to create a long tape.
4. Use as a start and finish tape at your Toddle.

Please ensure that all materials are non-toxic and any cutting required is under supervision using safety scissors.
