## The Basics

We are Advocates at Barnardo's Coventry and Warwickshire Children's Rights Service. We are independent and can speak up for you, or help you to speak up for yourself. We are confidential too; we won't tell anyone what we talked about, unless you agree we can or we are worried someone might be harmed. We are here to make sure you are listened to!

We can help you with issues at home, placement or school or even problems with your social worker, foster carer or contact/time with your family. We can come to meetings with you. We can also help you to make a complaint and even signpost you to other services.

We look forward to working with you!

This  
advocacy  
service  
runs on  
tea and  
smiles!
