## The Independent Visitor

See you next week, Hayley

Yeah, see you Jess

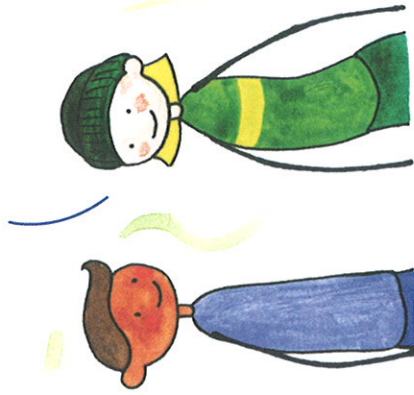

Who was that, Hayley?

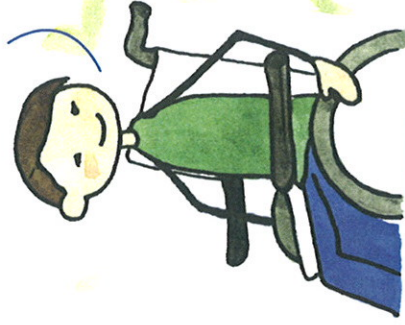

Is she your new social worker?

Nope, Jess is my I.V.  
- my Independent  
Visitor

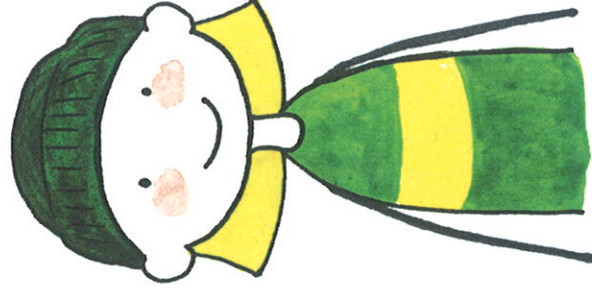

An Independent  
Visitor?  
What's that?

She's sort of my  
friend - we hang  
out, I tell her stuff  
and I can trust her.  
She even helps if I  
have a problem...

You can! If you  
are looked after by  
children's services in  
a children's home or  
foster care and don't  
see much of your  
parents, just ask your  
social worker or carer  
and they will sort it out.

She doesn't get paid. She's not a social  
worker, and she visits me because she  
wants to. She's a really good mate!

Cool!  
Yeah, I want  
one too!
