# HOW TO ORGANISE YOUR BIG TODDLE

There's nothing more incredible than children supporting other children who need their help.

This is why we are so grateful that you and your little ones have chosen to be part of the UK's most roar-some adventure.

Organising your little sponsored walk is easy peasy.

## STEP ONE PICK A DATE

This year's Toddle Week is 10th to 16th June. Don't worry if you can't host yours within Toddle Week you can host it at a time that suits you, just let us know!

## STEP THREE SET THE DISTANCE

Indoors or out, a half mile walk is usually about right.

## STEP TWO MAP OUT THE SAFARI ROUTE

It's good to pick somewhere full of natural sights and sounds like a park or woods. You could even hold your Toddle at your nursery or school. There's so many ways to have an elephant-astic time. You could...

### Toddle in the garden

Challenge your little ones to take a Toddle around the garden.

### Animal-themed scavenger hunt

Bring your Toddle indoors. Why not hold an animal-themed scavenger hunt around the class or the house for your cheeky little monkeys?

### Take a Toddle on the wild side

Indoors or outdoors, get children taking part to walk a set distance in the style of various animals. They could hold their arm to the side of their nose as if they were an elephant, open and shut their arms in front of their face like a snapping crocodile or waddle like a penguin with their hands by their sides.

## STEP FOUR RAISE MONEY

Every single penny you raise can make a huge difference. Our fabulous fundraising ideas on page 4 is full of fun ways you can get involved.

## STEP FIVE IT'S ALL ABOUT FUN

Download our roar-some resources ([URL tbc](#)) to make sure your little ones have a fantastic time – remember they link to the Early Years Foundation Stage framework so will help your little ones learn!

## STEP SIX SEND IN YOUR FUNDRAISING

Check out our Paying in your money on page 6 to find out how.

# FANCY DRESSING UP? LET YOUR IMAGINATION RUN WILD!

A GREAT WHITE SHARK**

You can bring the Safari theme to life with a chance for inventive, creative and crazy dressing up. If you need a little extra inspiration, we have a few ideas below to get you started!

Discover new adventures and bring to life their wild imaginations as your little explorers discover new worlds on their Toddle! Think cargo vests, safari hats and walking boots.

## GET COLOUR CREATIVE

The vast savanna is bursting with beautiful colours, perfect for a standout outfit. Picture gorgeous green grass, beautiful sky blue, or brilliant berry red.

## GO WILD

# YOUR SUPPORT CHANGES LIVES

Our handy guide to show how the money you raise through your Safari raises could help children, young people and families feel safer, happier, healthier, and more hopeful.

**£240**

**£25**

**£800**

could treat a group of 40 children to a trip out to see what other opportunities and activities exist beyond their day-to-day world, so that they can enjoy being children.

**£50**
