WAYS TO FUNDRAISE

WELCOME TO TEAM BARNARDO'S!

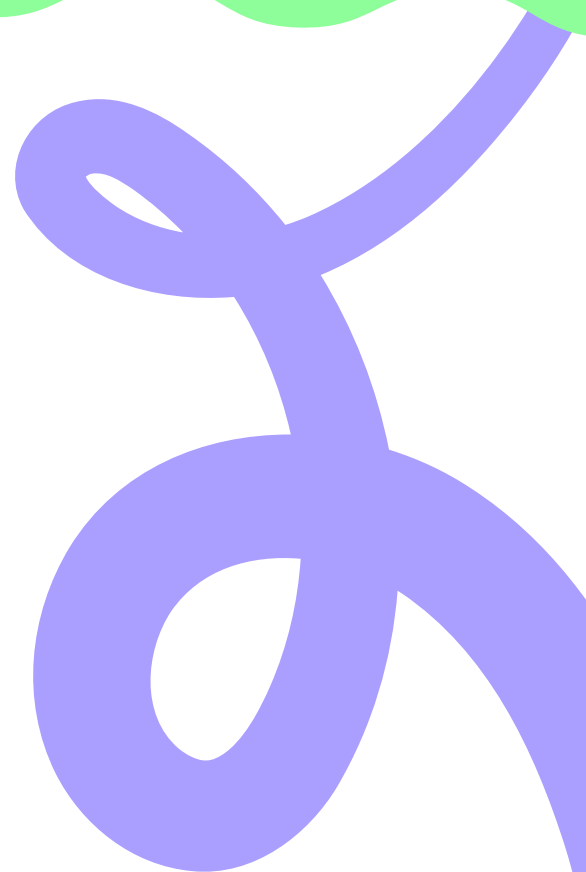

Thank you so much for choosing to fundraise or take on a challenge for Barnardo's. We know it can be difficult to get the ball rolling with your fundraising. This booklet is full of ideas to help you fundraise and kick start that journey to hitting your fundraising goal.

The first rule of fundraising is to have FUN, but there are a few other things to bear in mind too. Download our Keep it legal and be safe guide to have a read on how you can keep everything above board.

Don't forget you need to set up an online fundraising page to kickstart your fundraising. We recommend **JustGiving** as this allows you to create your own web page. Your supporters can then donate, leave you a supportive message, and the money, including any Gift Aid. This is hassle-free fundraising and the money automatically gets sent to us.

If you have any questions about your fundraising, please get in touch at **events@barnardos.org.uk**
