

CONFIDENT PARENTS, STRONGER FAMILIES

Supporting parents/carers in
Caerphilly with a child or young
person aged 8-17

Being a parent
is so tough

I don't know
what to do?

How do I help
my child?

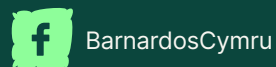

How do we help?

Children and young people between the ages of 8 and 17 often experience a number of challenges and changes along the way. We hope to offer advice and support that will help on your journey as a parent/carer and as a family. Our aim is to ensure that everyone is emotionally healthier, happier and better prepared for whatever life may send our way.

We can support you in your home, in the community or virtually (online). To find out more about the support we offer including the groups that we are running, please scan our QR code.

If you have a child under 8, please get in touch with the Caerphilly Early Years team if you would like support.
